

Understanding the Statement of Results

C2 Proficiency

Your Statement of Results gives you three main pieces of information:

1 Overall score

This is your overall Cambridge English Scale score for the whole exam. It is the average of the five individual scores that you receive for the four skills and Use of English. This is the most important piece of information.

2 Individual scores

You will be given a Cambridge English Scale score for each of the four skills (Reading, Writing, Listening and Speaking) and Use of English. With these individual scores it is easy for you to see how you performed across the exam and if you need to improve in any of the skills.

You will also receive a CEFR level and a grade for the overall exam. These are also shown on the Statement of Results.

3 Verification Number

This is a unique number which allows you to **share your results with organisations**. The **Results Verification Service** verifies and checks the authenticity of results shared by the candidates.

Certificate

As well as a Statement of Results, everyone who achieves a score of 200–230 will receive a Certificate of Proficiency in English. If you score between 180 and 199, you will receive a certificate stating that you demonstrated ability at CEFR Level C1.

The certificate will show your overall score on the scale, individual scores for each skill and Use of English, CEFR level and grade.

What is the CEFR?

The Common European Framework of Reference for Languages (CEFR) is an international system that describes learners' abilities in a foreign language using six levels, from A1 (the lowest) to C2 (the highest). All Cambridge English exams are developed in accordance with the principles and approach of the CEFR. This makes it easy for employers, schools, universities and other institutions to find out whether your English is at the right level for them by looking at your certificate or Statement of Results. You can find out more about the CEFR at cambridgeenglish.org/cefr
